# The City of Riverside Public Utilities Department

## Career Opportunities

Be a part of supplying the electric and water needs of a rapidly growing community by considering a career with Riverside Public Utilities (RPU). With over 440 employees, we're comprised of four divisions: Water, Energy Delivery, Finance/Customer Relations and Resources.

RPU offers a wide array of career choices from entry level to professional. Depending on your area of interest, there are a number of career paths available to you. For example, start out as an Engineering Aide, and your career path could include advancement up to a Senior Engineer at a higher salary. We have many careers to choose from, and offer challenging and fulfilling opportunities.

## Benefits

Employees of the City of Riverside are eligible to receive a comprehensive benefit package consisting of Medical and Dental prepaid plans. Additional benefits can include:

- Educational Reimbursement Plan
- Training Opportunities
- Sick Leave
- Vacation Time
- Two Deferred Compensation Plans
- A Flexible Spending Plan For Out-Of-Pocket Expenses
- Life Insurance
- Long Term Disability Insurance
- Vision Coverage
- Dependent Care Options

## The Position

This is a key position in the Water Division of the Public Utilities. An Associate Engineer works under general supervision and is expected to complete

complex engineering assignments that require knowledge and use of general policies, and will determine work assignments. Work in this classification is distinguished from that of the Assistant Engineer by the greater complexity of assignments given.

A sampling of duties for the Associate Engineer includes: the preparation of technical engineering analysis and project

- 11 Paid Holidays
- Public Employees Retirement System  
2.7% @ 55-Years-Old

## *What some of our employees have to say...*

"If you want a challenging and a rewarding career in the utility industry with many opportunities for advancement, Riverside Public Utilities offers it all. We're located in the City of Riverside, California one of the fastest growing cities in the nation, an area that's a toasty 69 degrees Fahrenheit in the winter!"

*Cesar Ancheta*

Interim Principal Engineer

"As a 20-year employee of the City of Riverside Public Utilities, I have seen the utilities grow to meet the continuous demands of the community. I have also been fortunate enough to take advantage of the city's educational program and have been given many opportunities to advance in my career. The City of Riverside Public Utilities is a wonderful place to work."

*Rita Nicks*

Customer Service Supervisor

"I've been working for RPU for over 15 years and it's been a great opportunity. The job is very satisfying and it's a good place to work. These are great people to work for and great people to work with."

*Lee Sheppard*

Power line Technician
